

## Nissan Forklift Attachments

Attachment for Nissan Forklift - Nissan Motor Co. Ltd prides itself on attaining complete customer contentment when enjoying one of their car, truck or forklift products. They are committed to offering high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with solid production principals, Nissan lift trucks supply some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to delivering consumer support, the company has four independent manufacturing facilities that permit them to persistently adapt to their clients continually evolving desires by offering an array of innovative ideas and concepts.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental accountability by using systems that reduce the global impact of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their consumers insist upon while being an environmentally aware organization.

Nissan is quite convinced that any of their clients questions and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
