Rockwell Part

Rockwell Part - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working in an environment that supports the highest integrity with empowered collaboration, together with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively using principals of ecological stewardship and safety in how they do business. The company has put different programs in place in order to articulate these values within their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with whichever questions or comments, as they are happy to promote and share this policy with a greater understanding of their efforts. They are very dedicated to preserving and improving the natural world. AxleTech has an EHS program which not just protects the natural world but which likewise actively protects their staff and neighbors as well.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles used for both commercial and military applications. These applications vary from airport ground support to construction equipment. AxleTech specifically designs axles so as to meet particular application demands. They have more than one thousand various axle specs in their existing offering. With more than one hundred years of history and experience, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The business is well known in several military and commercial applications. They provide complete axle assemblies for aftermarket replacement requirements, together with servicing axle requirements for OE production. Their high mobility ISAS have extra details that could be seen in the "ISAS" product selection.
