

## Axle Tech Part

Axle Tech Parts - The business of AxleTech International is a large supplier of specialty vehicle drive-train systems and components together with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their clients' expectations for delivery, quality, service and technology. They believe in working within an environment which encourages the highest integrity with empowered teamwork, together with a relentless pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of ecological stewardship and safety in how they do business. The company has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whatever comments or questions, because they are glad to promote and share this policy with a greater understanding of their efforts. They are really devoted to preserving and improving the environment. AxleTech has an EHS program that not just protects the natural world but which also actively protects their neighbors and employees also.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in manufacturing and designing planetary axles used for both commercial and military applications. These applications vary from airport ground support to construction equipment. AxleTech specifically designs axles to be able to meet certain application demands. They have over 1000 various axle specs in their existing offering. With over 100+ years of history and skill, AxleTech proudly supplies the most complete solution for any of your axle needs. The business is well known in various commercial and military applications. They offer complete axle assemblies utilized for aftermarket replacement needs, along with servicing axle needs for OE production. Their high mobility ISAS have further details which could be seen in the "ISAS" product collection.
