

American Lincoln Part

American Lincoln Part - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the business they are known in the industry as providing durable and strong machinery that suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln could supply machines, parts and warranty service for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency count. Recently, this floor scrubber model has been utilized by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
